Step 1 : The Sub Headline

Use this line to explain what “it” is and that it is free

100% FREE CHEAT LIST DOWNLOAD

- What is “it” : In this case its a downloadable cheat list
- Is it it free : Yes, this is explained by the 100% free part

Step 2 : The Main Headline

Use this line to explain the big benefit and what it is

**THE 524 MOST PROFITABLE SEO NICHEs
WITH SUPER LOW COMPETITION IN 2015**

- What it is : 524 SEO niches
- What is the benefit : They have super low competition

Step 3 : The Counter Headline

Use this to counter any objections

(EACH OF THESE NICHEs CAN GENERATE UP TO \$5,000 PER SALE)

- Potential objection : If these are low competition, is there any money in them
- Counter : Yes they can generate up to \$5,000 per sale

Step 4 : The Download Button

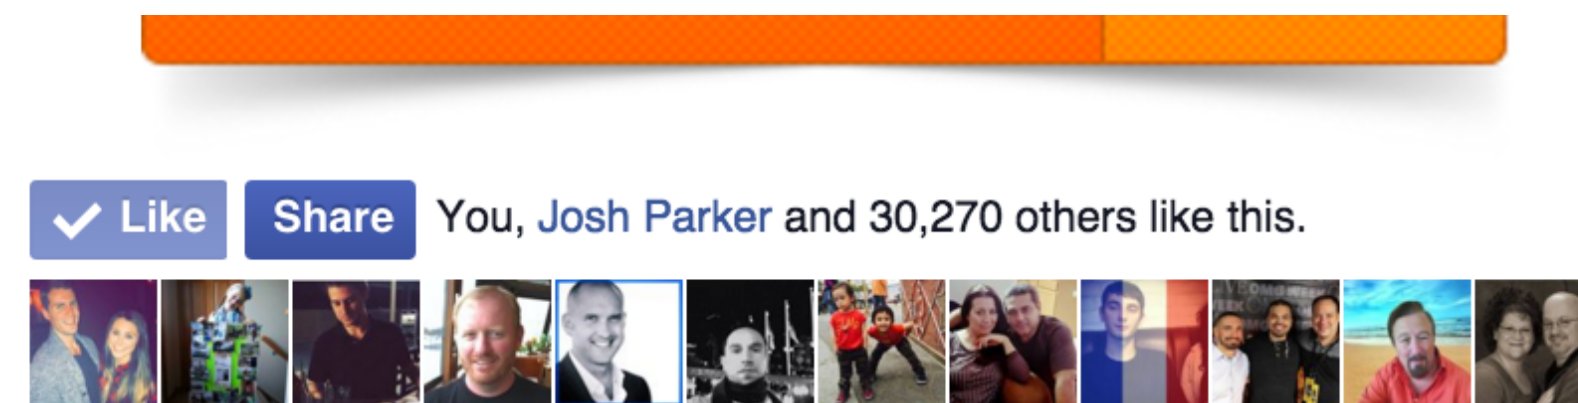

Always Use A Button With A “Download” Call To Action

These are proven (for me at least) to get higher opt in rates

Step 5 : The Social Proof

This Facebook box shows peoples friends who like my brand

This is an easy way to build a ton of trust because “their friends are doing it”

Boom...Some Quick Tips

- Simple opt ins almost always convert better
- A opt ins conversion rate has a TON to do with the initial ad
- Be sure to watch the video in section 2 to see the ads you need to make
